Abstract: This document is a template for the paper submission to APOS2018. Please provide here an abstract of about 100 words summarizing the main results and significance of your work. This abstract is different from the 35-word abstract (to appear in the conference program book), which will be separately submitted. The font should be Times New Roman, or a similar serif font if Times is not available. Font size is 11 unless otherwise indicated, but it can be reduced to 10.5 or 10 if necessary. Paper size is A4, and the length should be 3 pages (or less).
